Ms. Greta Schettler  
Vice-President, WEConnect International

Greta Schettler is the Vice President of WEConnect International as well as the Interim Regional Director for Asia and Canada. Based in Washington, D.C., Greta heads up global efforts to scale the rapidly growing organization, leads its executive management team and strategic direction, and develops a performance driven culture among its group of diverse talented individuals.

Greta, a proven executive and entrepreneur with more than 15 years’ experience, has a wealth of expertise in designing and scaling efforts to advance women’s economic participation and entrepreneurship through development, trade, economic, and international business initiatives.

Prior to joining WEConnect International, Greta was Senior Economic Policy Advisor in the Secretary’s Office of Global Women’s Issues for the U.S. Department of State. In that role, Greta was responsible for elevating women’s economic participation as a U.S. foreign policy priority globally.
